

Chairperson report

October 2023

Firstly, I'd like to thank you all for coming and for your continued support. This year, after not being able to run some of our big events post covid, we have seen the beginning of a new team and a brand-new committee. This has meant the comeback of our incredible summer fair which was not only well attended but enjoyed by so many of our briary families and those in our local community. I loved seeing it all come together and seeing the many happy faces. Well done to everyone!

As well as the very successful Mother's and Father's Day shops (much easier and nicer for the children being able to pre order their gifts this year) we also had a packed hall for chocolate bingo.

I remember the first event I went to at Briary School was a Christmas fair when my eldest daughter was in reception in 2014, this is when I joined the friends of Briary and remember helping out at the first summer fair and I think I took over the role of chair in 2018.

It has been an absolute pleasure to have been part of the Friends of Briary watching them enjoy so many events and to have helped secure the mini bus for the children but with extra commitments now it's time for me to step down. With an amazing team I'm so excited to see what the future brings. My youngest is in her final year at the school now and I will of course continue to support you as much as I can, but I wish you all the best for the future.

Thank you,

Zoe Dordoy
